LETTER OF GRATITUDE REGARDING PRACTICAL SCIENCES SESSIONS

FOR GRADE 12 LEARNERS

ATT: DR Mbongeni Mabaso

We writing this letter to express our sincere gratitude for the exceptional support that you have provided to our school regarding practical science sessions for grade 12 learners.

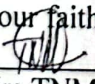

Your guidance, patience and encouragement from your facilitators have played a pivotal role in helping our learners to navigate through challenges that they have face during their practical science work.

Your support has not only helped our school to achieve 100% pass rate goal in Physical Sciences, but it also had positive impact, encouraged and motivated our learners to do well during their final examinations. We have confident in knowing that we could rely on you whenever we need assistance or guidance, and for that we are grateful.

I appreciate the time and effort you have taken to provide us with such exceptional facilitators to help our learners and the school.

Once again, thank you for all that you have done for our school. Your support has been instrumental to our school in achieving 100% pass rate in Physical Sciences grade 12 and we are grateful to have the opportunity to work with you

Your faithful

Mrs TNM Khuzwayo
Deputy Principal/ Science Educator
